ABOUT US

Singhania & Partners LLP, is a full service law firm having considerable experience in rendering legal advice in '*Infrastructure*' sector with a special focus in Private Public Partnership models of infrastructure provision. The preference by many top consultants, contractors and regulators, to partner with Singhania & Partners in India is because of its vast experience in advising government and state bodies on how to mitigate the long term – high risk factors in infrastructure projects. The firm has acted for the lenders, borrowers, developers, and regulators in various projects such as Roads, Ports, Airports, Railways and Tourism.

WatchOut

- **Mahagenco to invest 500 billion over next 5 years.**
Maharashtra State Power Generation Company Ltd (Mahagenco) plans to invest about INR 500 Billion over the next five years to **double its generation capacity to 20,000MW**. The Company will add 10,000MW capacity **through joint ventures and PPP**.
- **India aims to add 17,000 MW renewable power by 2017**
India aims to add 17,000 megawatts of renewable energy over five years starting 2012, stepping up the country's focus to develop clean energy sources. India will need an investment of Rs. 1.5 trillion (\$33.6 billion) to add the extra capacity in the 12th Five-Year Plan. The country has currently 20 gigawatt of renewable power generation capacity, constituting 11% of installed capacity. **India offers cheap loans** to companies building **alternative energy power plants** and **provides tax breaks** and **tariff subsidies** to encourage development of the renewables industry.
- **SJVN Hydro and Wind projects to come up by 2012**
Satluj Jal Vidyut Nigam Limited has 10 hydro power projects under way across India. The upcoming projects in Uttarakhand projects include the **252 MW Devsari project**, the 60 MW Naitwar Mori and the 45 MW Jakhol Sankri hydro power plants. Among these the **Naitwar Mori projects** are expected to be awarded by October 2012. SJVN also plans to **set up 50 MW wind power** project by end of 2002.
- **Karnataka to develop 15,000 kms roads at Rs 13,363 crore**
Karnataka cabinet today decided to develop 15,000 kms of main roads at a cost of Rs 13,363 crore in the next two years.

Newsline

- **ADB extends \$250 mn loan for Bangalore metro rail project.**
Multilateral lending agency Asian Development Bank (ADB) has approved a \$250 million loan to part-finance the Bangalore Metro Rail Transit System Project (BMRTSP). The Bangalore Metro Rail Corporation, a special purpose vehicle, jointly owned by the government of India and the Karnataka government, is carrying out the project.
- **SJVN Plans to add 6000MW by 2019-20**
Satluj Jal Vidyut Nigam Limited is planning to expand with its planned hydro power projects expected to be commissioned by 2013 onwards. The company is planning to add about 6000MW of capacity by 2019-20. SJVN is also planning to enter into renewable energy sector by setting up a 50MW wind power project by 2012.
- **Dahej, Bharuch get development plan**
The Gujarat government has proposed to set up a Gujarat Petroleum, Chemical and Petrochemical Special Investment Region (GPCPSIR) for Dahej industrial estate, Vagra and Bharuch taluka in Bharuch district. Studies for land use compatibility, environmental sustainability, accessibility to major roads, rail infrastructure, port development, water, power and gas supply, drainage, effluent and waste disposal in the region have already been done.
- **FII cap on bonds, debentures up \$20 bn**
In a bid to boost investment in the infrastructure sector the Reserve Bank hiked the limit on FII investment in listed non-convertible debentures and bonds issued by core segment companies by USD 20 billion
